About Leslie...

Leslie Foster is an innovative global governance specialist, trainer, chartered accountant and internal auditor.

He has held senior positions with major financial services firms and worked in more than 30 countries and territories (including all significant finance centres) in the last 25 years. Particular areas of expertise include:

- Retail Banking
- Private Banking
- Asset and Fund Management
- Trust and Fiduciary Management
- Investor Services
- Insurance.

Previous roles include being Head of Internal Audit at Dexia BIL, Group Head of Internal Audit (Wealth Management) at Dexia Group and Chief Internal Auditor of RBC Investor Services.

As a trainer, Leslie provides classroom based training to directors and senior executives on governance subjects and also more general training for financial professionals in developing countries such as El Salvador, Moldova and Armenia.

As the founder and Managing Director of Governance People, Leslie writes the underlying course material for all of the elearning courses. All courses are thoroughly reviewed by industry peers and Compliance Officers and constantly updated and refined.
